"Hay Huts save and preserve the hay. They keep the hay weather protected and are horse friendly."

- CHRIS COX

"Hay Huts are everything they say they are and more. We've had 4 Hay Huts for over 5 months now and have already recognized a savings with less waste. All 38 Police Horses love the Hay Huts as there is always fresh clean hay available to them when they are turned out. There is no fighting over the hay and no injuries caused by the Hay Huts. We have all sizes and breeds of horses at the Houston Mounted Patrol and all of them love the Hay Huts. **Hay Huts prove the simplest designs are usually the best.** Our horses thank you for making such a great product!"
